

Professional Learning Opportunities For Leaders and Aspiring Leaders Terms 1 & 2 - 2019

These courses are presented by highly experienced and skilled teachers, consultants and experts. Courses aim to equip participants with practical, instantly applicable ideas with a strong intellectual basis for excellent teacher and school-based practice.

The Teachers Federation established the CPL to provide high quality training and support for Federation members in a range of educational areas. The courses aim to provide practical, tested and well researched approaches to issues that face teachers every day at the school level. The CPL also aims to offer programs that are useful across the spectrum of a teacher's career from the early years of teaching to the experienced and leadership levels.

A course fee of \$200 will apply to each day of these courses. In the usual fashion, schools are asked to meet the relief costs incurred by teachers attending their professional learning courses.

Additional professional learning courses for leaders and aspiring leaders will be available in Term 3 and 4
