

Mental Health of Students with Disability K-12 Conference

Monday, 5 November 2018 – Surry Hills

Members are advised to register as soon as possible at:
www.cpl.asn.au

Presenters: Educational leaders, experienced teachers and leading academics

The Mental Health of Students with Disability K-12 Conference is designed to connect teachers with leading experts and practitioners in the field of mental health of children with disability.

The conference aims to support improved outcomes for students through practice, which assists with early detection and prioritises effective intervention strategies.

The conference will involve keynote speakers, practical workshops and will feature a panel of practising educational experts.

The conference is conducted within the context of teachers being part of a frontline service that plays a critical role in observing and attempting to make sense of complex behaviours within the classroom setting.

Please alert all Teachers who may be interested in this important Conference

Completing a Mental Health of Students with Disability K-12 Conference will contribute 5 hours of NESA Registered PD addressing 6.2.2, 6.4.2 from the Australian Professional Standards for Teachers towards maintaining Proficient Teacher Accreditation in NSW.
