Term 4 – 2018

Members of the NSW Teachers Federation can apply for professional learning courses conducted by the union's Centre for Professional Learning (CPL).

The Teachers Federation established the CPL to provide high quality training and support for Federation members in a range of educational areas. The courses aim to provide practical, tested and well researched approaches to issues that face teachers every day at the school level. The CPL also aims to offer programs that are useful across the spectrum of a teacher's career from the early years of teaching to the experienced and leadership levels.

The courses are presented by highly experienced and skilled teachers and experts. Courses aim to equip participants with practical, instantly applicable ideas as well as a strong intellectual basis for excellent teacher and school-based practice.

In the usual fashion, schools are asked to meet the relief costs incurred by teachers attending their professional learning courses.

All financial members of the NSW Teachers Federation are eligible to apply to attend CPL courses. Each participant must lodge an individual enrolment application.
