Starting a School Band in a Primary School? The Fundamentals Explained

Term 3 – 2018

The Teachers Federation established the CPL to provide high quality training and support for Federation members in a range of educational areas. The courses aim to provide practical, tested and well researched approaches to issues that face teachers every day at the school level. The CPL also aims to offer programs that are useful across the spectrum of a teacher’s career from the early years of teaching to the experienced and leadership levels.

The CPL is offering in partnership with the Association of NSW Regional Conservatoriums a course for primary teachers during Term 3 2018, with trainer, Dr Graham Sattler a high experienced Music Educator and professional learning facilitator.

A course fee of \$190 will apply to this course. In the usual fashion, schools will be asked to meet the relief costs incurred by teachers attending professional learning conferences. Each participant must lodge an individual enrolment application. All financial members of the NSW Teachers Federation are eligible to apply to attend CPL courses.
